

Corporate Greenrealestate™ Leader EMERALD National Association of Greenagents and Brokers (NAGAB)

By providing your real estate representatives with a leading edge Greenrealestate™ education and an ongoing partnership with NAGAB, your organization has the opportunity to significantly enhance its reputation for environmental leadership. Becoming a NAGAB member organization is a great way to build your brand and reach key audiences such as customers and employees with a positive message about your environmental good citizenship and Greenrealestate™ orientation.

Greenrealestate™ and the National Association of Greenagent and Brokers are high profile and high integrity brands with strong awareness levels among Canadian consumers and business leaders. By becoming a NAGAB member organization you can leverage these awareness levels to extend your communications reach. NAGAB provides a complete toolset of communications support to help you realize the full marketing and public relations benefits of your NAGAB affiliation.

At the Emerald level, NAGAB offers a variety of communications services to promote your Greenrealestate™ orientation:

Listing in the NAGAB Greenrealestate™ office index three times a year (as published in major media including the Globe and Mail) as well as the NAGAB website and other communication vehicles,

Company listing in each and every NAGAB Zing monthly e-newsletters with a distribution to thousands of Canadian Realtors,

NAGAB lobby certificate announcing your Greenrealestate™ orientation to visitors to your office,

NAGAB location identifiers such as window decals promoting your offices Greenrealestate™ orientation,
